These requirements specifically include the ditch area between the road pavement and the Lot line. In the event of any failure to comply with any of the foregoing, then the Developer or the Association (or contractors engaged by them) shall have the right to enter the Lot and conduct such repairs or maintenance as required above, and the costs thereof shall become a special assessment against the Lot under Article 3 of the Declaration.

CONSTRUCTION OF IMPROVEMENTS

2.01 MINIMUM LIVING AREA AND HEIGHT REQUIREMENTS; GARAGES

- (a) Each Home shall have a minimum living area (exclusive of basement, attic, garage, porches, patios and storage areas) as set forth below:
 - 1. not less than 2,000 square feet for a one-story home.
 - 2. not less than 1,500 square feet on the first floor with a total of 2,200 of area for a one and one-half story home.

2.02 SUITABILITY

Developer recommends that prospective buyers have their Lot inspected and tested by a qualified professional regarding subsurface conditions or any other matter which may be of concern.
- (c) Developer suggests, but does not require, that buyers utilize a properly licensed architect in any construction.

2.03 LOCATION AND SET-BACK

- (a) All structures or improvements (including eaves, steps, overhangs, and attached porches, patios and other appurtenances) shall be located in conformance with applicable zoning and building codes. Each corner Lot shall be delineated by the Developer as to identification of side and rear yards to have one rear lot line, one side lot line, one front lot line and a side street lot line based on the proposed orientation of the Home and other

improvements.

- (b) Approval by the Plan Commission or Building Inspector of the Town with respect to set-backs or other matters shall not be binding on the Developer in any respect.
- (c) Notwithstanding the set-back requirement specified above, the orientation and precise location of each Home and garage, as well as all other improvements on the Lot, must be approved in writing by the Developer prior to any construction, it being intended that the Developer may, in its discretion, impose greater set-back requirements than those permitted under Town ordinances in order to achieve or maintain the aesthetic appearance for the Subdivision or any portions thereof which the Developer or the Developer deems advisable. Additionally, the approval of the exact location of the Home by the Developer may be for the purpose of ensuring a proper and consistent set-back of structures and buildings and to avoid blockage and views of other properties.
- (d) Each Lot Owner acknowledges and agrees that notwithstanding the reviews and approvals made or required under this Declaration, each Lot Owner has the responsibility for selecting and hiring its own architect or other design professional, construction contractor, subcontractors, material suppliers, inspection professionals and parties associated with the design and construction of the applicable Home, and the Developer have no responsibility whatsoever for such parties or for the quality or suitability of any design, materials, workmanship or foundation location, it being understood that the function of the Developer pursuant to the reviews and approvals required hereunder is solely to attempt to ensure compliance with the covenants and restrictions in this Declaration and the intent thereof, and that no Lot Owner shall be entitled to rely upon any such reviews or approvals other than as expressly provided under Section 2.05(e).

2.04 ARCHITECTURAL STYLES AND BUILDING MATERIALS

- (a) Traditional architectural styles of the seventeenth, eighteenth, and nineteenth and twentieth centuries are encouraged. These could include Tudor, Salt Box, Cape Code, Georgian, Greek Revival, Prairie School or any of the Victorians. It is expected that the design of each house be consistent and unified and that building materials appropriate for that design be used. All Homes should reflect the aesthetics and spirit of the traditions they seek to

exemplify.

- (b) All exterior building materials shall be natural materials, excluding shutters, windows, soffits and roofing. The Developer shall have the right to permit synthetic materials (not including vinyl or aluminum) which are substantially similar in appearance and texture to natural materials. Minimum roof pitch as stated in 2.01 (d) shall be required. Placement of garage doors on the side elevation of Homes is encouraged and may be required. Primary exterior materials shall be consistent on all elevations and all fireplace chimneys shall be enclosed in a suitable housing compatible with the building materials of the Home.
- (c) In order to provide further guidance to prospective Lot Owners regarding the standards to be implemented regarding architectural control, prior to the date a general cross section of Homes have been erected in the Subdivision, the standard for exterior materials, design detail, and architectural "richness" is embodied in homes on Lots 4,6,7,8,10,12,15-19,22-24,40,42,47-49,56-59,60and 63 in the Twin Creeks Subdivision located ½ mile north of the Subdivision.

2.05 ARCHITECTUAL CONTROL

- (a) The Developer shall, subject to any specific assignment by Developer, have the sole and exclusive right to grant approvals, enforce and determine compliance with the standards and restrictions established herein, and to grant variances therefrom, as set forth in this Declaration. The Developer shall retain such right and authority until Developer no longer holds title to any lands shown on Exhibit A attached hereto. Thereafter, the Association shall have the authority to grant the approvals required in this Section 2.05 and upon such event, the term "Developer" as used in this Section 2.05 shall mean the Association. Notwithstanding the foregoing, however, the Developer shall, for a period of five (5) years following the date of the first annual meeting of the Association, retain its authority under Section 2.05 (and all rights of enforcement associated therewith) in respect to all vacant lots until a Home is constructed and completed thereon.
- (b) No Home, garage or other structure or improvement of any kind shall be installed, erected, constructed or placed on any Lot (or altered or changed with respect to layout, location or exterior design, appearance, elevation, color or material composition) without: (1) prior submission of detailed plans,

specifications and other required application materials to the Developer for its review; and (2) acquisition of prior written approval by the Developer with respect thereto. Plans to be considered appropriate for review by the Developer must include the following (unless the Developer advises a Lot Owner in writing to the contrary): construction drawings, plans and specifications (prepared by a qualified home designer or architect if the improvement involves construction of a Home, garage or addition or change to either) showing dimensions, composition and color of exterior materials and equipment, if any; and a plot plan to scale showing the location of the improvement with respect to set-backs from Lot lines and other buildings and improvements, finish grade elevations, topography, drives, existing plantings and other data pertinent to such review by the Developer as it may reasonably request. The Developer may deny or withhold approval of any proposed improvement based upon any one or more of the following factors in the Developer's sole judgment: any one or more of the general purposes specified in Section 1.02 will not be satisfied; material composition and quality; exterior design, appearance and color; coordination with other existing or contemplated improvements; location with respect to topography and existing surroundings; set-backs; finished grade elevations; access; drainage or landscaping; and general aesthetics. The Developer's judgment as to all matters of aesthetic appearance, design and compatibility shall be final and not subject to challenge or appeal. ANY LOT OWNER WHO CAUSES OR ALLOWS ANY IMPROVEMENTS TO BE CONSTRUCTED, INSTALLED, PLACED OR ALTERED ON THE LOT WITHOUT PRIOR WRITTEN APPROVAL OF THE DEVELOPER SHALL BE REQUIRED TO REMOVE SUCH IMPROVEMENT (OR RESTORE SUCH ALTERATION) IN ITS ENTIRETY AT THE LOT OWNER'S EXPENSE. Without intending to limit the generality of the foregoing, it is intended that the exterior color or appearance of any portion of a Home, garage or other improvement may not be changed in any significant respect without the prior written approval of the Developer. The Developer shall further have the right to establish additional procedures to ensure compliance with this Article 2.

- (c) Construction of all Homes shall be in conformance with the established grade.
- (d) Upon written approval of the plans for the proposed improvement and upon receipt of any necessary Town and other governmental approvals or permits, construction or installation of the improvement may commence and, once commenced, shall be substantially completed within twelve (12) months

following either acquisition of Developer approval or issuance of any required building permit by the Town, whichever is later. The Developer may, in its discretion, extend such completion deadline up to an additional six (6) months in the event the delay has been caused primarily by factors beyond the control of the Lot Owner and his/her contractors. For its own benefit to ensure compliance, the Developer may, at its discretion, require performance bonds from the contractors responsible for construction of the improvements.

- (e) In the event the Developer fails to act upon proposed plans within 30 days following written acknowledgment by the Developer that it has received such plans and that they are adequate and complete for purposes of its review or in the event no suit to enjoin the erection, installation or change of the improvement or to require removal thereof has been commenced within one (1) year following final completion thereof, no right shall exist to thereafter enforce these restrictions insofar as approval by the Developer is required as to such particular matter.
- (f) Any approval or permission of the Developer under this Section, to be binding or effective, MUST BE IN WRITING signed by an authorized representative. No oral statements, representations or approvals of the Developer or any of its members or agents shall be binding on the Developer under any circumstances, regardless of any reliance thereon by any Lot Owner.
- (g) Within 90 days following construction or installation of any improvement, the Lot Owner shall, upon written request of Developer, furnish an as-built certified survey showing the location of the improvement.
- (h) Except to the extent necessary for the construction of exposed basements or split level homes, no portion of any Home located above grade level shall be covered within ground, soil or similar materials.

2.06 LANDSCAPING, GRADING AND DRAINAGE

- (a) Landscaping plans, if any, including mature shrubbery, must be submitted for approval in conjunction with building plans. At a minimum, landscaping shall include the trees referenced in Section 1.16 and sodded or seeded lawns on all four (4) sides of the Home.

accordance with the plan approved by the Developer and shall be completed within three (3) months following the issuance of the occupancy permit for the Home, or if said permit was granted after September 30, said completion shall be on or prior to June 1 of the following year.

- (c) All grading and excavation activities shall be conducted in conformance with the then most current version of the Wisconsin Construction Site Handbook, published by the DNR. Except as may be expressly approved in writing by the Developer prior to the commencement of any work, there shall be no grading, excavation, cut and fill work or other alteration to the surface of any portion of the Lot (together "Surface Alterations"). All Surface Alterations shall be conducted in conformance with the master grading plan for the Subdivision (on file with the Town or the Developer's engineer). No Surface Alterations shall be conducted in a manner which causes erosion or instability of soils within an adjacent Lot or alters the patterns of storm and surface water drainage in a manner which has a material adverse effect on another Lot or the Common Areas. The Owner proposing the work shall have the burden of demonstrating conformance with the foregoing. No consent shall be given hereunder except in reference to a detailed grading plan prepared at the Lot Owner's expense specifically disclosing all aspects of the work for which approval is requested.

- (d) No fence, wall, hedge, or screen planting shall be installed unless in accordance with landscaping or other plans approved in advance by the Developer under Section 2.05. In general, fencing will be discouraged other than for protection of swimming pools. No swimming pools shall be installed above the surface grade.

- (e) Except for specific landscaped areas, or areas covered with trees and shrubs prior to sale by Developer, all front, side and rear yards shall be maintained as clipped lawns.

2.07 DRIVEWAY/CULVERT

Each Lot shall be improved by the Lot Owner with an asphalt, brick or concrete driveway extending from the street to the garage within three (3) months following issuance of an occupancy permit for the Home, or if said permit is granted after September 30, then said completion shall be achieved prior to June 1 of the following year. A plot plan showing the location of the drive shall be submitted to the Developer for its prior approval under Section 2.05 above. For purpose of ensuring an aesthetically attractive streetscape and a

cohesive project identity, the culvert crossing area of each driveway shall be constructed by the Lot Owner at its expense in conformance with the design standards (including materials) on file in the Developer's office.

2.08 CONSTRUCTION MATERIALS - STORAGE

No building or construction materials shall be stored on any Lot outside of the Home or garage, other than during periods of actual construction or remodeling and then only for so long as may be necessary. Excess excavated material shall not be stored on any Lot during or after construction without the prior approval of the Developer, unless required for back filling, finish grading, or landscaping.

Each Home shall be served by a private well constructed by the Lot Owner at its expense, and in compliance with all applicable regulations.

No Lot Owner shall remove, alter or disturb any monuments or survey markers, or install any improvement or vegetation that obstructs vision between the corner points of any Lot.

- (b) No roof-top, tower-mounted or other external antenna or satellite dish for television or radio reception or transmission (except dishes having a diameter not to exceed 18 inches and not visible from the front of the Home), or for other electronic transmission or reception or solar heating panels shall be erected or used in the Subdivision.

2.12 SIGNS

2.13 OUTBUILDINGS

No wash line, shed, detached garage or other enclosed structures or outbuildings are permitted on any Lot except one (1) structure per Lot consisting of any of the following:

1. gazebo or enclosed porch.
2. storage structure not to exceed 144 square feet.

Any proposed structure must comply with complete architectural review, shall be enclosed in the same materials (and colors) as the Home on the Lot, shall be located in the rear yard of the Lots and shall be screened from street view by the Home or landscaping as required by the Developer.

2.14 MAILBOXES ADDRESS PLAQUES AND YARDLIGHTS

- (a) Each Lot Owner shall be obligated at its expense, to purchase from Developer and install within three (3) months following issuance of an occupancy permit for the Home, a yard post with attached light fixture of a design determined by Developer, which shall be connected to an underground power source and operated automatically by a photoelectric cell. * HOMEOWNERS

- (b) The affairs of the Association shall be governed by the Board of Directors of the Association (the "Board"), as set forth under Section 3.05, below. The Developer may elect to cause the Association to be an unincorporated association or a non-stock, not for profit corporation formed under Chapter 181 of the Wisconsin Statutes. No Lot Owner or other party shall be entitled to compel the Developer to form the Association at any time other than as determined by the Developer, except that the Developer shall form the Association not later than April 1 following the calendar year during which the last Lot is sold or transferred by the Developer. Until such time as the Association is formed, the Developer shall have the rights and powers of the Association as provided under Article 3 hereof.

3.02 MEMBERSHIP

- (a) Each Lot Owner shall automatically be a member of the Association and shall be entitled to one membership, with ownership of a Lot being the sole qualification for membership. The membership in the Association shall be owned jointly and severally by all co-Owners of the Lot, regardless of the form of tenancy, estate, or interest in the Lot. There shall be one (1) vote per Lot regardless of the number of Lot Owners.
- (b) Association membership and voting rights shall be appurtenant to each Lot and shall not be assigned, conveyed or transferred in any way except upon transfer of an ownership interest in the Lot and then only to the transferee, nor shall membership or voting rights be retained except upon retention of an ownership interest in the Lot. Any attempt to make a prohibited transfer or retention of such rights shall be null and void.
- (c) Notwithstanding any provision in this Declaration to the contrary, the Developer shall be entitled to one membership and one vote for each Lot owned by the Developer.

3.03 VOTING

The vote appurtenant to each Lot shall be cast as whole (in person or by proxy) by the Lot Owner or any co-Owner. Fractional votes will not be allowed; and if co-Owners of a Lot do not agree on how the vote shall be cast or if a fractional vote is attempted, the right to vote on the matter in question shall be forfeited by such Owners. The Association may treat any co-Owner of a Lot or the proxy of any such co-Owner as duly authorized to vote for all co-Owners of that Lot. A quorum for voting purposes shall consist of forty percent (40%) or more of the votes entitled to be cast. There shall be no cumulative voting for election of Board members or on any other matters. All decisions and actions of the Association, except as otherwise specifically provided for in this Declaration, shall be by a majority of the votes present and entitled to be cast.

3.04 ASSOCIATION MEETINGS

- (a) The annual meeting of the Association shall be held in May of each year for the purpose of electing members of the Board (subject to Section 3.05) and transacting any other business authorized to be transacted by the Association. The Board shall select the specific date, time and place of the annual meeting for a given year and shall furnish written notice to each Lot Owner.

- (b) Written notice of all meetings of the Association stating the time, place, and purpose for which the meeting is called shall be given to each Lot Owner not less than four (4) nor more than 30 days prior to the date of such meeting; provided, however, that notice of any meeting may be waived in writing before or after the meeting.

3.05 MANAGEMENT OF ASSOCIATION BY THE BOARD

- (a) The Association and its business, activities and affairs shall be managed by the Board. The initial Board shall be appointed by the Developer (regardless of how many Lots are then owned by Developer) and shall serve until the first annual meeting of the Association. At the annual meeting first following the date the Developer no longer owns any Lot in the Subdivision, all members of the Board shall be elected by the Association. Board members (except the initial Board) shall serve a term of two (2) years.
- (b) The Board may appoint committees consisting of one or more Lot Owners to make recommendations to the Board or the Association on any matter. No person shall receive any payment for services rendered as a member of the Board or the Committee or as an officer of the Association or as a member of any committee unless specifically authorized by prior resolution of the Association. The Association may reimburse out-of-pocket expenses incurred by an officer or committee member in the performance of his/her duties.
- (c) No member of any board or committee or officer of the Association shall be liable to any Lot Owner or to any other party, including the Association, for any loss or damage suffered or claimed on account of any act, omission, error or negligence of such board or committee member or officer, provide such person acted in good faith, without willful or intentional misconduct.

3.06 LOT OWNER'S LACK OF AUTHORITY TO BIND ASSOCIATION

No Lot Owner (other than members of the Board) shall have any authority to act for the Association or the other Lot Owners, as agent or otherwise, nor to bind the Association or the other Lot Owners to contracts, negotiate instruments or other obligations or undertakings of any kind.

3.07 POWERS AND RESPONSIBILITIES OF THE ASSOCIATION

- (a) Without limitation, the Association shall have the following rights and powers in addition to any others which may be necessary or incidental to performance of any duties or powers of the Association specified in this Declaration;
1. to levy and enforce payment of General and Special Assessments on the Lots and against Lot Owners;
 2. to enforce this Declaration;
 3. to purchase, sell and convey Lots (including the improvements thereon) incident to foreclosure of a lien for any assessment;
 4. to enter and execute contracts, deeds, mortgages, and documents on behalf of the Association which relate to management of the Common Areas and Common Facilities;
 5. to incur indebtedness on behalf of the Association (but only for the purposes of and as may be reasonably necessary for, carrying out its duties and obligations hereunder) and to execute drafts and other negotiable instruments;
 6. to employ the services of any person, firm, or corporation to maintain the Common Areas and Common Facilities or to construct, install, repair, replace or rebuild any improvements thereof;
 7. to acquire, sell, transfer or exchange goods, equipment and other personal property or fixtures in the name of the Association for the operation of the Association;
 8. to commence, prosecute, defend or be a part to any suit, hearing or proceeding (whether administrative, legislative or judicial) involving the enforcement of this Declaration or otherwise involving the exercise of any powers, duties or obligations of the Association;
 9. to exercise all other powers necessary to maintain the Common Areas and Common Facilities for their intended purpose and operate the Association for the mutual use and enjoyment of all Lot Owners; and

10. to accept title to and ownership of all Common Areas and to properly own, operate, manage and maintain the same, including the Common Area Facilities.
- (b) Any two members of the Board acting together are empowered to negotiate, execute and enter contracts, agreements and other undertakings or documents of any kind on behalf of the Association necessary or incidental to exercise of any powers or obligations of the Association or of the Board under this Declaration.
- (c) The Association shall have the following affirmative obligations:
1. to maintain the Common Areas and the Common Facilities including all stormwater management facilities, in good condition and repair and in a clean and presentable condition, consistent with other first quality residential developments in the Town of Jackson, including all necessary repairs and replacements.
 2. to keep the Common Areas and all boulevard and cul de sac islands free from refuse.
 3. to cause the landscaped or turfed areas (not including nature areas) within the Common Areas and all boulevard and cul de sac islands to be mowed and maintained in a first class condition on a weekly basis between April 15 and October 15 of each year, except trails in the Common Area, which shall be mowed no more than once per month.
 4. To administer architectural review and approval as and to the extent such authority is granted under Section 2.05 (a).
- (d) The Developer and its members shall have the right to enforce the affirmative obligations above during the entire term of this Declaration.

3.08 COMMON EXPENSES AND ASSESSMENTS AGAINST LOTS AND LOT OWNERS

- (a) The Board shall pay or arrange for payment for all costs, expenses and liabilities incurred by the Association out of the proceeds of assessments which shall be made against the Lot Owners and their Lots.

- (b) "Special Assessments" may be made and levied by the Board against a particular Lot Owner and his/her or their Lot (without levy against other Lots) for:
 - 1. costs and expenses (anticipated or incurred) for repair of damage to the Common Areas or Common Facilities caused by or at the direction of the Lot Owner, the family or guests of the Lot Owner, or any other party for whom a Lot Owner is responsible;
 - 2. costs, expenses and actual attorney's fees incurred in, or in anticipation of, any suit, action or other proceeding to enforce this Declaration against the Lot Owner;
 - 3. interest due on General or Special Assessments; and
 - 4. all other costs and expenses anticipated or incurred by the Association which are subject to Special Assessments as provided under this Declaration.

- (c) "General Assessments" may be made and levied by the Board equally against each Lot Owner and his/her or their Lot for the following "common expenses" which may be anticipated, incurred or paid by the Association for:
 - 1. maintenance, repairs, upkeep or operation of the Common Areas or Common Facilities and any improvements or equipment related thereto as may be acquired by the Association;
 - 2. any insurance maintained by the Association;
 - 3. taxes, assessments and charges of any kind made or levied by any governmental authority against the Association or any other property of the Association;
 - 4. all costs and expenses for the operation and administration of the Association, including legal, accounting and management fees and

other costs incident to the exercise of any of its powers or obligations;

5. all items subject to Special Assessment which have not been collected from a Lot Owner at the time payment of such item is due, provided that upon collection of the Special Assessment from that Lot Owner, all other Lot Owners shall receive an appropriate adjustment, reimbursement or credit on future General Assessments, as the Board may determine, for payments made under this paragraph;
 6. all damages, costs, expenses and attorney fees incurred in, or in anticipation of, any suit or proceeding (whether administrative, legislative or judicial) which are not otherwise collected by Special Assessment;
 7. costs and expenses of services, if any, made available to all Lots;
 8. a charge for the establishment or maintenance of a reserve account to pay for unanticipated or significant expenses for which the Association is responsible;
 9. any repairs or replacements to public improvements, the Common Areas or Common Facilities, except as the result of unauthorized actions by individual Lot Owners which shall remain the responsibility of individual Lot Owners; and
 10. all other costs and expenses declared to be common expenses under this Declaration. The General Assessments for any of the foregoing expenses shall be levied equally against each Lot, pursuant to the provisions of Section 1.10.
- (e) The Association shall maintain separate books and records for General and Special Assessment accounts of the Lot Owners, as may be necessary, provided that all funds received from either assessment may be co-mingled and thereafter disbursed to pay any costs or expenses incurred by the Association which would be subject to General or Special Assessment.
- (f) Developer shall be responsible for all assessments levied against any platted

Lot prior to a sale of such Lot by Developer. However, Developer shall not be responsible for any General or Special Assessments which may be levied for improvements, capital expenditures, reserves, or replacement funds of any kind. The Board may at any time levy assessments for such purposes against the Lot Owners (other than Developer).

- (g) The Board shall determine the estimated expenses of the Association and prepare an annual operating budget in order to determine the amount of the annual General Assessments necessary to meet the estimated common expenses of the Association for the ensuing year and shall furnish a copy to each Lot Owner or one of the co-Owners of the Lot

3.09 PAYMENT OF ASSESSMENTS

- (a) Each Lot Owner shall promptly pay, when due, all General and Special Assessments levied by the Board against such Owner and his or their Lot, together with all costs, expenses and reasonable attorney fees incurred by the Association in collection of any delinquent assessment(s). All assessments shall become due at such times and in such manner as the Board may determine in its sole and absolute discretion (in a lump sum or in installments with or without interest). Time is of the essence with respect to all payments.
- (b) All co-Owners of a Lot shall be jointly and severally liable for all General and Special Assessments levied against the Lot, regardless of the type of tenancy, estate or interest in the Lot (whether as joint tenants, tenants-in-common, land contract purchaser(s) or seller(s), or otherwise).

3.10 DELINQUENT ASSESSMENTS: INTEREST, LIEN AND COLLECTION

- (a) All General and Special Assessments which are not paid when due shall bear interest at the lesser of twelve percent (12%) per annum, or the maximum rate as may then be permitted by law, from the date due until the assessment is paid in full, shall constitute a lien on the Lot, and shall be collectible and enforceable by the Developer or the Board (in its own name or the name of the Association) by suit against the Lot Owner, by foreclosure of the lien, and/or in any other manner or method provided under this Declaration or laws of the State of Wisconsin. The lien granted hereunder shall also cover and include all interest accruing on delinquent assessments, plus costs, expenses and attorney's fees for collection.

- (b) The Developer and the Association (through the Board) subject to Section 4.07(a), shall have the exclusive right and power to collect or enforce collection of all General and Special Assessments levied by the enforcing party and shall further have the exclusive right to bring any and all actions and proceedings for the collection thereof and/or the enforcement of liens arising therefrom. The Board and the Developer shall have the right to record a document with the Register of Deeds of Washington County giving notice of a lien for any unpaid assessment. Failure to file any such notice shall not impair the validity of the lien. The Association and the Developer may bring an action at law against any Lot Owner personally to collect such assessments and/or to foreclose the lien for such assessments against the Lot (in the same manner and method as an action to foreclose a real estate mortgage). The Board and the Developer shall have the right at any time to notify all Lot Owners within the Subdivision of the delinquency of any Lot Owner.

3.11 ASSESSMENT BY DEVELOPER

Until such time as the Association is formed, and thereafter in respect to the obligations under Section 3.07 (d), the Developer shall have the authority to levy, enforce and collect General and Special assessments in the same manner as permitted by the Board subject to the terms, limitations and conditions of Sections 3.07-3.10 hereof.

3.12 SERVICE OF PROCESS

Service of process upon the Association for all matters shall be made upon at least two (2) members of the Board of the Association or such legal counsel as the Association may designate to receive service of process by recording such designation with the Register of Deeds for Washington County, Wisconsin.

3.13 WORKING CAPITOL FUND

Each purchaser of a Lot from the Developer, shall at the time of closing , pay to the Developer an amount equal to \$200.00 for the establishment of initial working capital to defray the initial maintenance costs of the Common Areas and Common Facilities as the Subdivision becomes established. The Developer and/or the Association shall not be permitted to use such funds except as just provided. Said amount shall not be considered advanced payments of general assessments and if any such funds are then remaining, shall be turned over to the Association at the time of formation.

3.14 ASSESSMENT STATEMENTS

Within twenty (20) days following written request from a Lot Owner, the Association or Developer shall provide a written statement as to the existence and amount of any outstanding General or Special Assessment against the Lot.

4.01 MISCELLANEOUS: AMENDMENTS TO DECLARATION

This Declaration may be amended by recording in the Office of the Register of Deeds for Washington County, Wisconsin, a document to that effect executed by the Owners of at least 67% of all Lots in the Subdivision, with all signatures duly notarized, except that;

- (i) so long as the Developer owns any of the lands described or shown on Exhibit A, no amendment shall be valid without the prior written approval of the Developer; and
- (ii) no portion of Article 3 or 4 may be amended at any time without the prior written consent of the Developer or its members.

Any amendment shall become effective only upon recording. Notwithstanding the foregoing, the Developer shall have the right at any time, and from time to time, regardless of whether Developer then holds title to any Lot, to amend this Declaration to cause all or a part of any lands located within 1,000 feet of the Subdivision to become subject to this Declaration, and upon the recording of said amendment any residential lots described therein shall become a part of the Lots for all purposes under this Declaration, including without limitation, the calculation of proportionate responsibility for assessments under Section 1.10, the Developer's right to appoint members of the Board under Section 3.05(a) and the calculation of the number of Lots necessary to amend this Declaration. Prior to said amendment, and subject to applicable ordinances, Developer shall have the right at any time in his sole and absolute discretion, without notice, to alter the number, size or location of lots, the layout or design of streets, utilities, alterations or additions to common areas or common facilities or other improvements, and any other aspect of the design or development of any lands not then subject to this Declaration.

4.02 RESERVATION BY DEVELOPER OF RIGHT TO GRANT EASEMENTS

Developer hereby reserves the right to grant, convey or establish easements to the Town, Washington County and/or to any public or private utility company upon, over, through or across those portions of any Lot in the Subdivision within a reasonable distance from any Lot line for purposes of allowing the provision of gas, electric, water, sewer, cable television or other service to any Lot(s) or through any portions of the Subdivision or for purposes of facilitating drainage of storm or surface water within or through the Subdivision. Such easements may be granted by Developer, in its own name and without the consent or approval of any Lot Owner, until such time as Developer has conveyed legal title to all Lots platted or to be platted in the Subdivision (including lands described in Exhibit A) to persons other than a Successor/Developer.

4.03 SEVERABILITY

The invalidity or unenforceability of any term, condition or provision of this Declaration shall in no way affect the validity or enforceability of any other term, condition, or provision of this Declaration, all of which shall remain in full force and effect.

4.04 COVENANTS RUN WITH LAND

All terms, conditions and provisions of this Declaration (and as may be amended) shall constitute covenants running with the land.

4.05 TERM OF DECLARATION

This Declaration (and any amendments) shall be binding for a period of 20 years (from the date the Declaration is recorded) upon all Lot Owners and any other persons claiming under or through the Developer. Upon the expiration date of such initial 20-year period, this Declaration shall be automatically renewed for successive periods of (10) years each.

4.06 DISCLAIMER

Notwithstanding any other provision(s) of this Declaration, Developer is under no obligation to any Lot Owner to develop or plat at any time any portion(s) of the Subdivision not already platted as of the date of recording this Declaration.

4.07 ENFORCEMENT

- (a) The Developer shall have the exclusive right to enforce, by proceedings at law or in equity, all the terms, conditions, and provisions of this Declaration and any Rules or Regulations adopted by the Developer, except that the Association shall assume such exclusive responsibility at such time as the Developer, its successors or assigns, no longer owns a Lot in the Subdivision. Notwithstanding the foregoing, any Lot Owner may proceed, at such Owner's expense and subject to the limitations of Section 2.05(e), to enforce any such terms, conditions or provisions (other than for collection of assessments against Owners of other Lots) if the Developer or Association, as the case may be, fails to take such appropriate action within 60 days following a written request by such Lot Owner to do so. Any Lot Owner violating any of the terms, conditions or provisions of this Declaration or any Rules or Regulations shall pay all costs, expenses and actual attorney's fees incurred by the Developer or the Association in the enforcement thereof. Neither the Association or the Developer shall be subject to any suit or claim by any Lot Owner for failure of the Association or the Developer to take any action requested by such Lot Owner against any other Lot Owner.
- (b) The Developer shall have the right to levy and collect an assessment (which is due upon receipt of notice) against any Lot for any costs and expenses incurred by the Developer in the enforcement of the provisions of this Declaration with respect to such Lot, and the cost of consultants and actual attorneys' fees, and whether or not litigation is commenced with respect thereto. Any assessments not paid when due shall bear interest at 12% per annum (the "Default Rate") until paid in full, and such unpaid assessment, together with the interest thereon, shall constitute a continuing lien against the real estate for which the assessment is made. Said lien may be foreclosed in the same manner as real estate mortgages under Wisconsin law, provided that such liens shall be subordinate to any purchase money or construction mortgage. The assessment and interest thereon shall further be the personal obligation of the applicable Lot Owner.
- (c) Each remedy set forth in this Declaration shall be in addition to all other rights and remedies available at law or in equity. All such remedies shall be cumulative and the election of one shall not constitute a waiver of any other. Any forbearance or failure of the Developer to exercise any such right or remedy for any violation (including, without limitation, violations of Section 2.05(b)) shall not be a waiver of such right or remedy under any

circumstances (except as provided in Section 2.05(e)) unless a written waiver is obtained from the Developer.

- (d) Under no circumstances shall any violation of this Declaration or of any Rule or Regulation result in any reverted or reversion of title to any Lot.

4.08 NO LIABILITY

All decisions of the Developer or the Board on any matter (including, without limitation, decisions under Section 2.05) shall be enforceable against any Lot Owner if made in a good faith exercise of the judgment or discretion of its members so long as such decision is not clearly in conflict with the express provisions of this Declaration. Any Lot Owner or other person seeking to avoid, set aside or challenge any such decision of the Developer or the Board shall have the burden of proof to establish that such standards were not met at the time the decision was made.

4.09 RULE AND REGULATIONS

The Developer, and thereafter the Association, shall have the right at any time and from time to time, to adopt or amend Rules and Regulations in respect to the use of the Common Areas and administration of the rights and obligations under this Declaration, provided that the same shall not be contrary to any express terms hereof (the "Rules and Regulations"). Said Rules and Regulations, or amendments thereto, shall be effective upon transmittal in writing by regular mail to all Lot Owners.

4.10 INTERPRETATION

These Declarations shall be construed and interpreted in favor of restricting the use of each Lot consistent with the purposes hereof and any ambiguity shall be resolved against any Lot Owner who installs any structure or engages in any activity not clearly authorized under these Declaration or approved in writing by the Developer. This Declaration shall be interpreted and construed in accordance with the laws of the State of Wisconsin.

4.11 PARADE OF HOMES

Developer discloses that Developer may arrange for the Subdivision or any phase thereof to be included in a "Parade of Homes" or similarly titled event in which members of the public are invited to inspect, at one time, a number of Lots improved by buildings constructed by one or more contractors. Such events may result in temporary periods of

significant construction activity, traffic slow downs and large crowds, and may continue for a period of several weeks. By acceptance of a deed or other conveyance to a Lot, an Owner is deemed to acknowledge the possibility of such event and is deemed to have waived any objection to the issuance of any municipal permits required for such event. Developer is not, however, required to include the Subdivision in any such event, and may base its decision of whether or not to do so on Developer's individual needs.

4.12 RIGHT TO FARM

The Developer hereby discloses and all Lot Owners hereby acknowledge that there currently exist ongoing farming operations on all lands adjoining and located across the street from the Subdivision. Farming and agricultural practices are considered an important aspect of the cultural heritage of the Town of Jackson and should not be threatened by the development of this Subdivision. In many cases, agricultural uses are deemed an amenity and attraction to urban dwellers seeking to move "out to the country". However, certain farming operations may involve activities that some persons may consider incompatible with residential uses, including without limitation, the operation of loud machinery at all hours; windblown dust, allergens, fertilizers, herbicides and pesticides; odors and noise from animals, animal waste and the spreading of animal waste as fertilizer; together with any and all other activities associated with agricultural uses. These activities are expected to continue indefinitely at the discretion of the owners of nearby farmland. All Lot Owners are hereby put on notice that they are moving to into an area dominated by agricultural uses and activities, and as such, have no basis for any objection or complaint regarding agricultural activities, whether at present or at any time in the future. All Lot Owners acknowledge that it is their obligation to adjust and sublimate their lifestyles and sensitivities as necessary to accommodate the continuation of nearby agricultural activities. In the event any governmental body holds a public hearing regarding any objections to agricultural activities, this Section 4.12 shall be read into the public record.

4.13 GENERAL ADMINISTRATION AND ENFORCEMENT

Each Lot Owner and Unit Owner hereby expressly acknowledges that the administration and enforcement of this Declaration will be carried out by human beings, and as such will not be perfect or flawlessly consistent. The Develop intends to use its good faith efforts to administer and enforce this Declaration in a consistent and even handed manner so as to bring about the establishment of a development which is materially different from a residential neighborhood that is not or minimally regulated. The complexity and volume of regulated subject matter, however, indicate that some mistakes, errors and

inconsistencies are likely to occur. Said mistakes, errors and inconsistencies shall not serve as a legal excuse or justification for non-compliance herewith, whether or not similar or identical to the matter in controversy unless it can be shown that there has been a complete, flagrant, persistent and comprehensive pattern of non-enforcement or non-administration hereof, which shall be the burden of the party seeking to avoid enforcement to demonstrate. By way of illustration and not in limitation of the foregoing, structures or architectural features permitted by the Developer due to an oversight, or that in retrospect turn out to be unattractive or undesirable, shall in no way limit or constitute a waiver of the Developer's right to subsequently deny or require modifications to an identical or similar structure or architectural feature.

4.14 GRADING COMPLIANCE.

Each Lot Owner must strictly adhere to and finish grade its Lot in accordance with the Master Lot Grading Plan or any amendment thereto approved by the Town Engineer on file in the office of the Town Clerk. In addition to and not in limitation of any other rights and remedies under this Declaration, the Developer and/or the Town and/or their agents, employees, or independent contractors shall have the right to enter upon any Lot, at any time, for the purpose of inspection, maintenance, correction of any drainage condition, and the Lot Owners shall be responsible for cost of the same.

IN WITNESS WHEREOF, this Declaration of Covenants and Restrictions is executed by the Developer as of the date first written above.
